Browser Compatibility Document

Supported Browser: IE8, IE9, Google Chrome 14.0+, Firefox 3.6+

Use this procedure to verify that your browser settings are appropriate for the SAP system.

IE Browser settings:

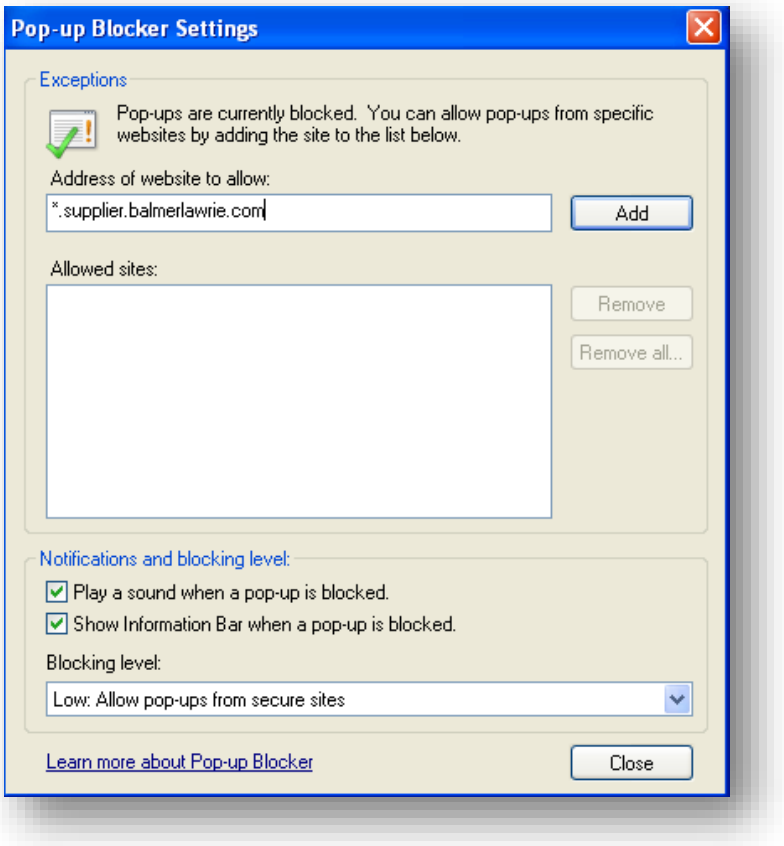
Set up the Pop-up Blocker. Your pop-up blocker (if you have it turned on) needs to allow pop-ups from SAP.

• Under the "**Tools**" menu at the top of Internet Explorer, click "**Pop-up Blocker**."

• If your Pop-up Blocker is turned off, you don't need to do anything further.

• If the Pop-up Blocker is turned on, then click "Pop-up Blocker Settings" and the screen to the right will appear.

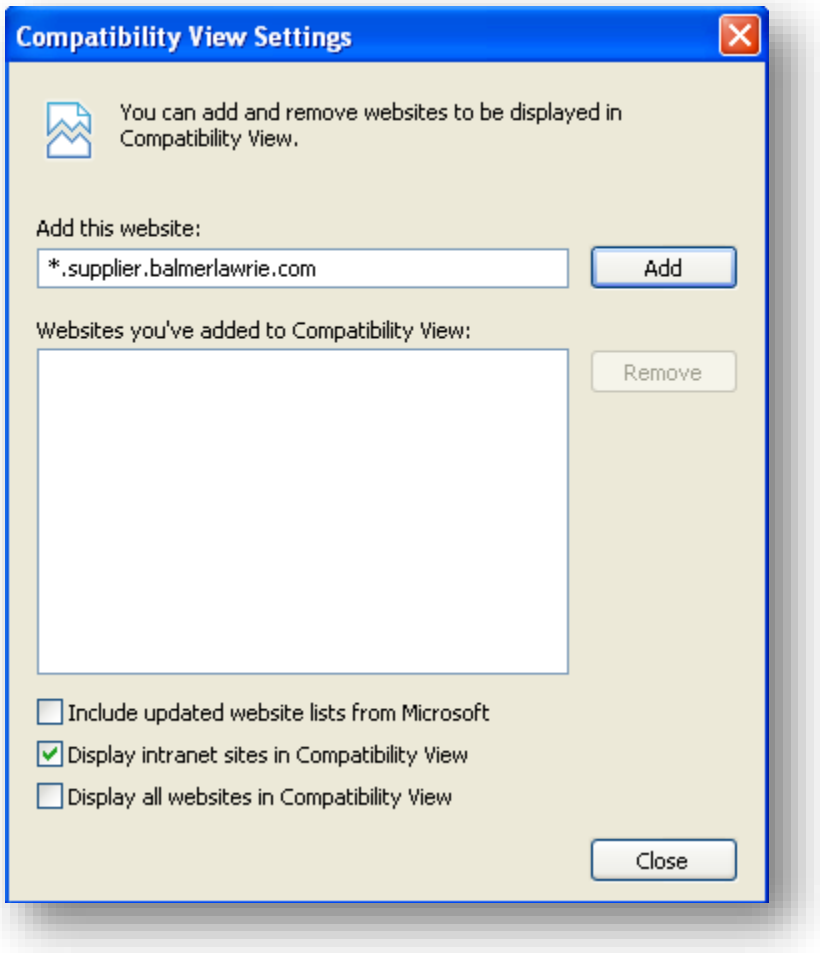
• Enter ***.supplier.balmerlawrie.com** into the address field, then click "Close" to save your settings.



Compatibility Mode - You may need to make this adjustment when using higher browser version like IE10/11 etc once you will get "**Sorry your browser is not supported by webdynpro**"

• Select the Compatibility Icon at the top of the page or click "Compatibility View" under the "Page" menu.

You can add the following site.



Google Chrome Settings:

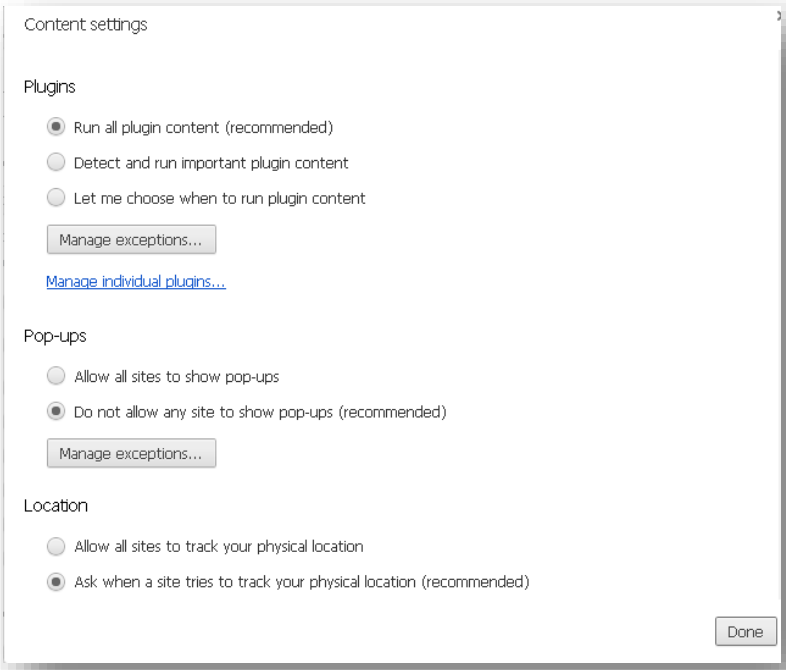
Set up the Pop-up Blocker. Your pop-up blocker (if you have it turned on) needs to allow pop-ups from SAP.

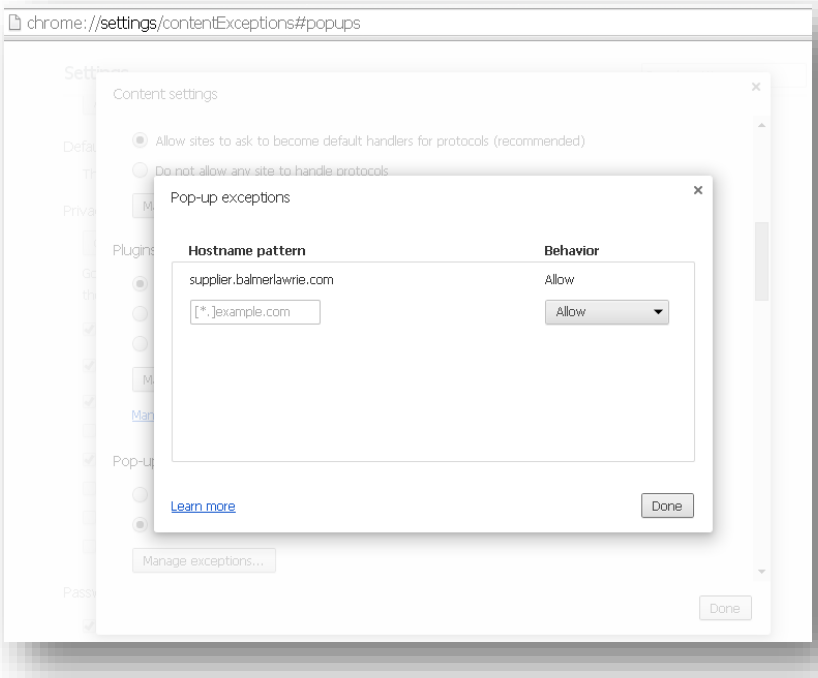
• Under the "**Settings**" menu of Google chrome, click "**Privacy→Content Settings**" and navigate to "**Pop-ups**"

• If your Pop-up Blocker is marked as "**Allow all sites to show pop-ups**", you don't need to do anything further.

• If the Pop-up Blocker is marked as "**Do not allow any site to show pop-up (recommended)",** then click "Manage Exceptions" and the pop up screen will appear

• Enter **supplier.balmerlawrie.com** into the Hostname Pattern field and behavior should be allow, then click “Done” to save your settings.





Mozilla Firefox Settings:

Set up the Pop-up Blocker. Your pop-up blocker (if you have it turned on) needs to allow pop-ups from SAP.

• Under the "**Options**" menu of Firefox, click "**Content**"

• If checkbox "**Block pop-ups windows**" is not checked, you don't need to do anything further.

• If the checkbox "**Block pop-ups windows** "is checked then click "Exceptions" and the pop up screen will appear

• Enter **supplier.balmerlawrie.com** into the Address of Websites field and click on Allow, then click "Done" to save your settings.
