Ref. BL/BRR/2020-21/1

Dated 16-12-2020

Invitation of Expression of Interest for Business Responsibility Reporting and Sustainability Reporting for Balmer Lawrie & Co Ltd for FY 2020-21

1. The Company

Balmer Lawrie & Co. Ltd (BL) is a Public Sector Enterprise under the administrative control of Ministry of Petroleum & Natural Gas, Government of India. It is engaged in a number of diverse businesses spanning manufacturing and services sectors, with operations spread across the country. Our company is a leading player in Industrial Packaging, Greases & Lubricants, Leather Chemicals, Tours & Vacations & Logistics.

The Company intends to engage a suitable consulting firm/agency to develop BRR in line with NVG requirement cum Sustainability report for the year 2020-21 which should be mapped with GRI Standard Core level.

2. Scope of the Service

- i. **Stakeholder Engagement and Materiality Analysis:** Identification of key stakeholders of our SBUs [Strategic Business Units] and various functions and engage with them through survey questionnaire and one to one meetings with selected few at all key locations [CFS Kolkata, G&L Kolkata, IP Kolkata, TCW Hyderabad, IP Chittoor, IP Chennai, G&L Chennai, LC Chennai, CFS Chennai, IP Taloja, CFS Navi Mumbai, TCW Patalganga, G&L Silvassa, IP Silvassa, IP Vadodara, IP Asaoti, TCW Sonipat Rai and Corporate Offices at Kolkata, Chennai, Mumbai, Delhi, Hyderabad, Bangalore] to identify the key concern areas and the expectations of the stakeholders.
 - a) The list should be inclusive of C&MD, Directors, Executive Directors, SBU Heads, SVPs and few employees at different functions.
 - b) Important external stakeholders like customers, vendors, suppliers of each SBU operations at various locations of the country like Kolkata, Mumbai, Silvassa, Chennai, Delhi, Hyderabad etc to be included.
- ii. **Sustainability Strategy:** Presenting the results of the gap analysis, stakeholder's engagement and materiality analysis to the management along with the suggestions on Sustainability Management strategy for the future, including organization structure, governance structure, communication mechanism, training requirements etc for taking forward sustainability.
- iii. **Data Collection:** Development of appropriate data collection format for selected KPIs (issues relevant to the company's operation), collection, compilation, collation and analysis. Balmer Lawrie will provide necessary support in collection of data.

- iv. **Development of BRR and Sustainability Report** : Drafting developing and designing the BRR and Sustainability Report and GRI Standard Core level report in bilingual ie in Hindi and English.
- v. **Delivery of the report** : The BRR and Sustainability report should be delivered in i) soft copy in English and Hindi for uploading in website and ii) 20 (twenty) number of hard copies each in both English and Hindi language with coloured printing in 130 GSM paper and 250 GSM cover pages copies).
